

## *Halifax Educational Symposium, May 24 2017*

[Register Now at https://www.tema.ca/common-threads-halifax](https://www.tema.ca/common-threads-halifax)

- Learn about the latest research, newest trends and innovations dealing with acute, cumulative, vicarious and post traumatic stress within emergency services and military operations
- Learn from subject matter experts and peers
- Connect and collaborate with other professionals at the forefront of mental health in the workplace
- Learn from the personal stories that will be shared by members of Canada's emergency services and military organizations

**Who should attend?** Chaplains, Clergy, and Spiritual Care Providers, Communications Personnel, Correctional Personnel, Family Members, Fire Fighters, Justice, Managers, Mental Health Professionals, Military Personnel, Nurses, Paramedics, Parole Officer, Physicians, Police Officers, Public Safety personnel, Security, Social Workers

**How much?** This is a **free symposium** to all, but donations to TEMA are welcome.
