Memorandum:

To all agencies that have a Zoll AED3

The MFR Department **will** be restocking the Uni-Padz.

These pads have a 5 year shelf life.

The Uni-Padz can be used to treat children 8 years of age or under 25kg (55lbs.)

Please ensure that the Stat Padz are to be used for all adult cardiac arrests.

Please keep the Uni Padz for Children, or backup adult pads.

Thank you
