AGENCY NAME: _____

Confidentiality is not something to take lightly. Releasing information, whether Patient Care Reports, your own personal notes, or even just discussing personal information about a patient, is a violation of the patient's right to privacy. EHS is obligated to ensure those rights are protected at all levels of patient care and contact.

Please review **Program Document No. 12010.00: MFR Documentation Standards/CPR Completion** and sign below as having read and understood this policy as it relates to patient confidentiality.
